

Apollo Yearbook 2023 Ad Submission Guidelines

Deadline Saturday, December 31, 2022

Types of Ads:

- Baby Ad: for graduating seniors, by their families celebrating their accomplishments & future
- Friendship Ad: for senior students, generally pairs and groups, by students or families

Ad Size Options:

- 1/8 page: 1-3 Pictures, \$45 (4 1/2" X 3")
- 1/4 page: up to 6 Pictures \$80 (4 1/2" X 6")
- 1/2 page: up to 12 Pictures \$150 (6" X 9")

Instructions:

- Go to yearbookforever.com & type in the school's name. The system will then take you through a step-by-step process to both purchase and create your own ad online.
- You can design your Ad within the publisher's system, or you can design your own ad in Adobe Illustrator or Photoshop, or an app like Canva or Over and upload the finished ad in their system. See sizes above.

Note: If you run into problems with the link to create an ad not showing on the yearbook forever page, it may be any pop-up blockers you have on your computer. Most often, this happens when attempting to create an ad from the workplace, where computers may have more blocking software set up. Try a different browser, from home, and/or unblock pop-ups, and this should solve the problem.

You can also purchase your yearbook at the same time.
